

Lied Zehn

It is the answer to all of your ills.
So goddamned good it often gives me chills.
Just like alchemy it turns lead to gold.
Use it daily and you'll never grow old.

Moves hair from your back up onto your head.
You can land whoever you want in bed.
It gets you hotter than a date with Pam.
It has been endorsed by your Uncle Sam.

It makes a spring break girl out of a shrew.
The Joneses have one and now so should you.
It makes you whoever you want to be.
You'll be the hero of your family.

If you don't know what it is that's a shame.
It's Lied Zehn.
