

Oh Yeah

Heroes are asleep while the lava seeps.
Murderers creep through the city streets.
The President's dead; no one can find his head.
But his spokesman said, "At least he's not a red."
People on the TV beggin' "Give to me, please."
But those asleep at your feet ain't any less hungry.
The days of playing fair are incredibly rare.
It's a terrible state of affairs.

Yeah.
Oh Yeah.
Change, my friends, is in the air.

We're gonna change the world (this is how we do it).
We're gonna change the world (really nothing to it).
We're gonna change the world (put your heads together).
We're gonna change the world (we can do whatever).

Government in DC taking all our money.
But try to find a subsidy that isn't taken already.
The days of playing fair are incredibly rare.
It's a terrible state of affairs.

Yeah.
Oh Yeah.
